

Legendary hospitality & fantastic food...

Celebrated Swiss Chef Kurt Wigger welcomes you to his popular restaurant. Catering to both

locals and visitors, "The Buff" is also a popular gathering spot for noted celebrities. It's no accident that, in his 45 years as a chef, Kurt has fed the likes of Jill St. John, Michael Douglas, John Denver, & Colorado Governor Bill Owens.

Acclaimed for his preparation of many specialty entrées, this good-natured chef brings to your table extensive international experience that gained him membership in the Confrerie de la Chaine des Rotisseurs.

Kick up your heels on the huge oak dance floor with live music on the week-ends. Relax at the bar, featuring 1000 silver dollars! An abundant salad bar, extensive wine list, awesome steaks & great service round out one of the valley's most entertaining restaurants.
